As a divorce and family law attorney, Ms. Nellis' experience encompasses all aspects of marriage dissolutions, including: division of assets, complex tax situations, modifications to child custody and visitation agreements, and mediated divorces.

Ms. Nellis educates clients as to the various aspects of family law that affect their cases, whether those aspects involve negotiating prenuptial or postnuptial agreements, the ramifications of a spouse's refusal to cooperate, or the potential for financial and emotional well-being when engaging in family law mediation.

She believes it is important to educate professionals from different industries on family law matters since there are so many misconceptions. For this reason, Ms. Nellis and a colleague formed a networking group aimed at bringing professionals from different industries together to educate one another.

Ms. Nellis was designated one of the *Best Lawyers in America* in Family Law in 2024 by *Best Lawyers Magazine*, and a *Southern California Super Lawyer* (2018-present) and *Rising Star* (2007-12 and 2015-17) by *Super Lawyers Magazine*.
