Super Lawyers

PICTURED ON THE SUPER LAWYERS COVER

Tax attorney William Choi found his legal passion when he began representing nonprofits. "You know, the nonprofit sector has a soul," he says. The Rodriguez, Horii, Choi & Cafferata partner almost exclusively handles complex tax issues like exemption. Recently, he represented the Dodgers Dream Foundation in a case that examined how the foundations assets were used. He is one of the many exceptional lawyers listed in this Super Lawyers special advertising section.

CONGRATULATIONS

to all of the lawyers throughout the last decade who've made it onto the Southern California Super Lawyers list. Wherever you see an orange, white or gray 10-year ribbon throughout this section, it signifies that a lawyer has been on the list since its inception in 2004. That's quite an accomplishment.

FROM THE DIRECTOR OF RESEARCH

OUR SELECTION PROCESS

Before you begin to thumb through this section, I would like to share with you how the lawyers you'll find in our listings got there.

It's important to us that you begin your search for a lawyer with the confidence that not only has Super Lawyers created a list of outstanding lawyers in more than 70 areas of practice, but that we can back up our selections.

In creating the lists, we perform the type of due diligence that a highly motivated and informed consumer would undertake if he or she had the time, energy and resources—the very things that are in short supply in most people's lives.

So how do you use Super Lawyers? We've made it easy for you. Lawyers are listed by practice area. Find the area that meets your unique legal needs. If a lawyer's name is in red, he or she has purchased a profile on the indicated page. The profiles will provide you with useful information about a lawyer's background,

experience and credentials. You can also search Super Lawyers online by practice area and location at superlawyers.com.

As proud as we are of our list, remember that Super Lawyers is just one tool to help you search for a lawyer. It is not a substitute for performing your own independent research. You shouldn't rely exclusively on this, or any other list, in selecting counsel.

NOMINATION, RESEARCH & SELECTION PROCESS

Super Lawyers selects attorneys using a rigorous, multistage process in which peer nominations and evaluations are combined with our independent research:

- 1 **NOMINATIONS**
Each year, we invite lawyers to nominate the top attorneys they've personally observed in action. Our attorney-led research staff also searches for lawyers who have attained certain honors or results.
- 2 **EVALUATION OF THE CANDIDATE POOL**
Our researchers evaluate candidates by 12 indicators of peer recognition and professional achievement. Research evaluations are based on information from a variety of online and database sources including law firm websites, legal publications and information supplied to us by lawyers at my.superlawyers.com.
- 3 **PEER EVALUATION BY PRACTICE AREA**
Candidates are grouped according to their primary practice areas. Candidates in each practice area who received the highest point totals in the steps above are asked to serve on a review panel.
- 4 **FINAL SELECTION**
Candidates are grouped into categories based on firm size. The attorneys with the highest totals from each category are selected. Thus, lawyers are grouped with other lawyers of comparable firm size.
