Ramping Up: COVID-19 Considerations When Bringing Employees Back to Work

Dear All:

Join our Employment Practice Group for a special webinar regarding employer concerns and compliance when reopening businesses. The session will include the topics below and more:

- California, County, and City Guidelines and Orders
- CDC Guidelines
- Industry-specific Requirements
- Health Screens, Physical Distancing, and Sanitation Requirements
- Key Rehiring/Reinstatement Issues
- Handling Ill Employees (leave/pay issues)

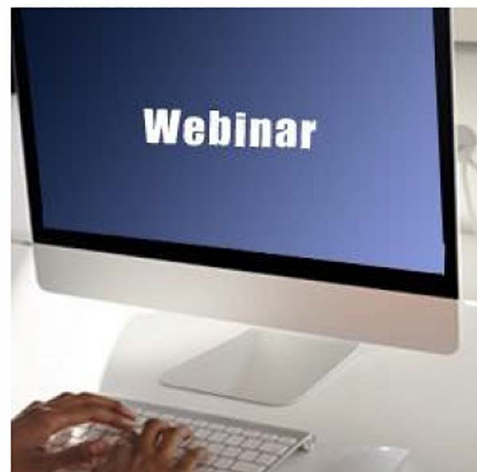

For social distancing, we are offering a webinar session only.

Ramping Up: COVID-19 Considerations When Bringing Employees Back to Work
