Getting Out of Contracts & Legal Risk Management in the COVID-19 Era

Dear All:

Join our Civil Litigation Practice Group for a complimentary webinar regarding business strategies during pandemic. The one-hour presentation will include:

- Legally getting out of bad contracts and leases
- Risk planning for future contracts in the new era of uncertainty
- Using insurance to cover past and future losses and manage risk
- How to protect and run your businesses amid stay home orders and curfews

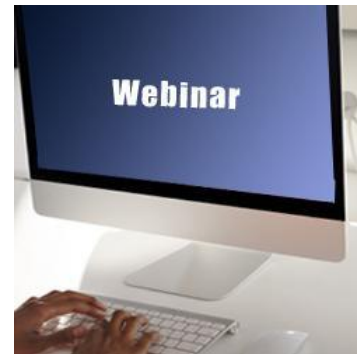

For social distancing, we are offering a webinar session only.
