Also available as:

OnDemand Course

[Overview](#) [Agenda](#) [Credits](#) [Faculty](#) [All-Access Pass](#)

Learn the key points of a successful onboarding session and how to set your new hire up for success.

This webinar enables employers and HR professionals to understand the DOs and DON'Ts of hiring new employees: from writing the ad to sending the offer letter and classifying employees; setting expectations in the workplace; and in creating and maintaining policies concerning acceptable and unacceptable conduct at work. We will provide helpful tips on how to pay employees, track employee time, enforce essential policies, implement arbitration agreements, and much more.

## Learning Objectives

- You will be able to describe non-compete and non-solicitation agreements.
- You will be able to discuss whether there should be at-will employees.
- You will be able to identify strategies for interviewing.
- You will be able to explain trends regarding equal pay and pay transparency laws.
